PROFESSIONAL SUMMARY

Motivated and creative aspiring Software Engineer with a strong interest in Artificial Intelligence, Web Development, and UI/UX Design. Passionate about building innovative, user-centered digital products and translating ideas into working applications — from IoT-based sensing systems to AI-driven web platforms. Combines hands-on technical execution with strong leadership, communication, and project management skills developed through academic and community involvement.

TECHNICAL TOOLKIT

Languages & Data: Python, SQL, R, Java, PostgreSQL, MySQL, BigQuery
Systems & Backend: FastAPI, REST APIs, ETL Pipelines, Data Modeling, PySpark, Databricks, Docker, Airflow, CI/CD, AWS, Streaming Pipelines
Frontend Development: HTML, CSS, JavaScript, WordPress
Design: Figma, UI/UX Design, Webpage Design
Professional Skills: Leadership, Communication, Problem Solving, Project Management, Team Collaboration, Creative Thinking

PROJECTS

Resume Roast & ATS Analyzer

Technical Stack: HTML, CSS, JavaScript | 2024 - 2025

- Built a modern ATS resume analyzer with scoring, skill matching, and improvement suggestions.
- Implemented selection prediction, a candid "Roast Mode," downloadable reports, and dark/light mode with interactive animations.

BrainWave

Technical Stack: AI, Web Application | 2024 - 2025

- Developed an AI-powered automotive web application bringing intelligent automation into the automotive workflow.

Crowd Management System

Technical Stack: System Design, Access Management | 2023 - 2024

- Built a temple privilege and crowd management system to organize visitor access for large public gatherings.

AI Agent Marketplace

Technical Stack: AI Agents, Automation | 2023 - 2024

- Created an all-in-one platform bringing AI agents and automation tools together in a single marketplace.

Eye Blink Detector

Technical Stack: IoT, Embedded Systems | 2018 - Present

- Designed an IoT-based smart eye blink detector using embedded sensors for real-time attention sensing.

EDUCATION

D Y Patil College of Engineering and Technology — Bachelor's Degree

Expected 2028

Shrimant Maisaheb Bavdekar, Kolhapur — School Education

2022

AWARDS & LEADERSHIP

SHANTADEVI D. PATIL Merit Scholarship (2022-23), D. Y. Patil College of Engineering and Technology | Smart India Hackathon Finalist — Ministry of Power | Anchor for 50+ Major Institutional & Community Events
